Diamonds, eternally precious

FANCY VIVID YELLOW AND GOLCONDA DIAMOND RING

GIA Certified | Circa 1910

Fancy vivid yellow diamond: 3.74 ct.
Golconda-type white diamond: 3.52 ct.

A breathtaking combination of two of the world's finest diamonds, this ring displays a stunning fancy vivid yellow diamond and an important D color Golconda-type white diamond, both certified by the GIA as Internally Flawless. A Belle Époque-era delight, the ring's beautiful garland design perfectly frames the oval- and lozenge-cut diamonds. It is exceptionally rare to find two diamonds of similar size and equally exquisite quality in a period setting. 18K yellow gold and platinum.
