## CAMERAS

Featuring built-in simplicity  
for the whole family!

## ARGUS INSTANT-LOAD 270

Here's another "first" from Argus, makers of the famous C-3! With the new Argus 270, even children can take pictures with that professional look. The unique 270 has important features that make it a most versatile camera for taking pictures with unusual effects.

### OUTSTANDING 270 FEATURES:

- Instant Cartridge Loading! Uses 126 film cartridge for slides or prints.
- New DataScope Viewfinder provides bright-line optical frame, focusing symbols, shutter speeds, f-stops and low light signal.
- Programmed Shutter automatically selects the best combination of shutter speed and aperture.
- CdS Electric Eye is pre-set by film cartridge for perfect exposure control.
- Sharp 40 mm f/2.8 Lens focuses from 2 ft. to infinity.
- Hot Flash-Shoe and PC connector for either universal flash units, flashcube units or electronic flash.
- Single-Stroke Film Advance. Automatically turns electric eye "on" when cocked.
- Standard ASA-size Cable-Release socket built in for time exposures, self-timer units or remote shutter control.

**Model 270B**—Camera Only.

**Model 270S** complete with electronic strobe flash! Electronic Strobe takes up to 50 shots on one set of batteries. Also operates on 110V AC. The high speed strobe light (1) eliminates all blur from action shots (2) is economical (3) gives ideal lighting for flash shots.
