Scanner

A versatile desktop scanner that delivers true color support for document imaging, digital copying and publishing applications.

- Up to 600 dots-per-inch (dpi) color and monochrome scanning

- Duplex scanning

- 25-page auto document feeder (ADF)

- High speed scanning up to 15 pages-per-minute (ppm) simplex / 15 images-per-minute (ipm) duplex

- Small footprint—occupies only 5 x 12 x 6 inches (HxWxD) of desktop space

- One-year limited warranty

- Advance Exchange Replacement Program for eligible purchasers

Small businesses and distributed scanning applications are the ideal market for this sheet fed, full color, duplex scanner. With a daily duty cycle of up to 500 letter documents and the ability to scan letter at 15ppm and duplex at 7.5ppm in mono mode with selectable red/green/blue dropout, the scanner has unlimited potential.

Quality
The *fi*-4110CU offers high quality output resolution up to 600dpi. Control over error diffusion, color dropout and gamma correction via the driver allows a wide variety of documents to be scanned.

Additional features
With a slide away output tray, the scanner can be positioned near the user workstation for ease of use. When not in use, the scanner reverts to a standby mode using only 4.5 watts of power.

A "Scan" button on the scanner allows the scanning process to be started from the scanner and launches a user selectable application.

A "Send" button allows the document to be scanned and sent to either your default printer or selected application on your PC. A user may preselect up to nine different applications.

Interface and Support

The *fi*-4110CU has an industry-standard USB-1 interface for "plug-n-play" connectivity, and comes with a 6 ft USB cable for easy installation.

Limited Warranty and Advance Exchange Replacement Program

Fujitsu products are designed to give our end users the highest performance and reliability with the least amount of hassle. To prove this, Fujitsu Computer Products of America, Inc. (FCPA) offers a limited warranty on selected consumer products distributed through authorized distribution channels. In addition, FCPA offers the Advance Exchange Replacement Program that may be the easiest and most comprehensive in the industry. In the unlikely event of a product defect, FCPA will replace that product within two business days. U.S. resident end users who have originally purchased products covered under the limited warranty that are not for resale may be eligible to participate. Certain restrictions apply, for full details, call FCPA at 1-800-626-4686, option 2, or visit our web site at www.fcpa.fujitsu.com.
