Full iPod control requires JENSEN iPod interface cable. Sold Separately.

Activating your SIRIUS® Subscription —
Before you can listen to Sirius Satellite Radio, you must subscribe to the service.

1. With the radio power ON, press the MODE button to enter Sirius Ready mode. After displaying the SIRIUS logo, the Receiver will update all the SIRIUS channels.
   NOTE: Don't push any buttons or perform any operations until updating has been completed.
2. Once updated and the SIRIUS channels are received, the display will change to "Call 1-888-539-SIRIUS to Subscribe" and will place you in SIRIUS Satellite Radio's Preview Channel. Channel 184 is the SIRIUS preview channel. You will not be able to tune to any other Sirius Radio channels until you activate your subscription.
3. You will need to access your Sirius ID, which is displayed on channel 000. Press the INFO button on the radio to enter Direct Tuning mode. Using the Tune Adjust UP/DN knob, select digits 000. Press the INFO button to enter your selection. This will display your unit's unique 12-digit SIRIUS ID Number.
4. Write the Sirius ID number down and have your credit card handy.
5. Contact SIRIUS on the Internet: https://activate.siriusradio.com/
   Follow the prompts to activate your subscription. You can also call SIRIUS toll-free at: 1-888-539-SIRIUS (1-888-539-7474)
