

**Kodak**

# i50 and i60 Scanners

Now available  
with  
USB 2.0

## Speed up with Kodak desktop scanners

**A4 Colour Document Scanner**

**Simplex i50 and Duplex i60**

**20ppm mono at 200dpi (i50)**

**25ppm / 50ipm mono at 200dpi (i60)**

**ADF for 75 pages and Flatbed**

**USB 2.0 and SCSI Interface**

**TWAIN Driver and Software**

KODAK i50 and i60 Scanners are specially designed for everyday use in offices and other workgroup or departmental desktop applications. The Scanners are suitable for a broad range of scanning applications in bitonal, greyscale, colour and colour-drop-out.

The i60 Scanner features duplex (two-sided) scanning capability, utilizing two CCD sensors that digitize the front and back of a document simultaneously.

The automatic document feeder (ADF) handles a wide range of document sizes and types with ease. Both scanner models have an integrated flatbed for bound or delicate materials.

The USB 2.0 interface provides true plug 'n play installation, as well as high scanning speeds.

As an ENERGY STAR® Partner, Eastman Kodak Company has determined that these products meet ENERGY STAR® guidelines for energy efficiency.

## Specifications:

**Scanning applications:** DMS, OCR, archiving, forms reading, Web publishing and many more.

**Decentralised or personal scanning:** in a networked environment or stand-alone systems.

**Fast:** Get your document batches done quickly with the automatic document feeder.

**Reliable paper transport:** Smooth, easy paper path.

**Flatbed scanning:** Excellent for handling books, magazines or delicate materials.

**Colour, black & white or grayscale:** Get the image types you need.

**Flexible colour drop out:** Improve OCR and text recognition quality by eliminating unwanted background colours on forms. The colours red, green or blue can be "dropped out".

**Easy installation:** USB 2.0 Adapter from Adaptec, CFM-Twain drivers and bundled software applications.

**Quiet operation and small footprint:** Fits comfortably into office environments.

**User-replaceable consumables:** Stay up and running with snap-in parts.

**Basic image processing build in.**

**KOFAX VRS compatible.**

Scanner type	Duplex ADF-Scanner with Flatbed
Image sensor / light source	Dual CCD (Charge Coupled Device) / White Lamp
Optical resolution	300 dpi
Output Resolution	75 dpi up to 600 dpi in 1 dpi steps
Image format output	Bitonal (1 bit), Grey (8 bit), Colour (24 bit)
Scanning speed bitonal (200 dpi, A4)	i50: 20 ppm Simplex i60: 25 ppm Simplex / 50 ipm Duplex
Scanning speed colour (150 dpi, A4)	i50: 10 ppm Simplex i60: 10 ppm Simplex / 20 ipm Duplex
Document size ADF	94 mm x 140 mm (A6) to 215 mm x 355.6 mm (A4 over length)
Document size FB	Less than 25 mm x 25 mm to 215 mm x 297 mm (A4)
ADF capacity	75 Sheets at 60 g paper
Paper thickness	0.05 mm – 0.15 mm
Image processing	Dropout colour, Error diffusion, 4 halftone patterns
Interface SCSI-2 / USB 2.0	DB25 (25-pin) or LD50 (50-pin) connector, USB 2.0 via Adaptec USB2Exchange
Power consumption	i50: 100-240V / 50-60 Hz Running 24W / Standby 7W i60: 100-240V / 50-60 Hz Running 36W / Standby 8W
Operating environment	Temperature 5-35 °C / Humidity 20% - 80% RH
Acoustical noise	Standby less than 46 dB / Operating less than 58 dB Energy Star Compliant
Dimension (H,W,D)	199 mm x 567 mm (833 mm with output tray) x 350 mm
Weight	i50: 6.72 kg i60: 7.55 kg
Recommended scanning volume	up to 1.000 pages per day
Software bundle	STI-TWAIN drivers by CFM, PAPERPORT LE Software by ScanSoft (DMS, e-mail, distributed printing/copying), TEXTBRIDGE OCR Software by ScanSoft, ROXIO PHOTOSUITE Software (photo management)
Recommended minimum PC configuration	1.0 GHz processor with 128MB MB RAM and USB 2.0, Windows 98, ME, 2000, XP
Approvals and product certifications	TUV/GS, CE, C-Tick, VCCI-Class B, BSMI, EN55022 Class B, EN 55024, EN 61000-3-2 Powerline Harmonics, EN 61000-3-3 Flicker, EN 60950
Scanner supplies	Feed module (4 included in the box)

Specifications are subject to change without notice.

Available with the i50 & i60 Scanner, Kodak offers a worry free **PerformancePlus** service contract, giving its customers a 3 year onsite service at an affordable price:

- On-site Manufacturer's Service & Support
- 3 year parts & labour
- Free 4th year if no service visit in the first three years
- If unit cannot be fixed, a new replacement scanner will be supplied
- Scanner consumables included

PerformancePlus service contracts will be offered through authorised distributors in selected European countries with a Kodak Service & Support organisation.
