Introduction

The figures which follow depict the major assemblies of the printer or option, broken down into components. Following each figure are the list giving the following information:

- 'Ref No.'Reference number which corresponds to the parts in the figure
- 'Part code'.....Part code which identifies the part
- 'Part description'A brief description of the part
- 'Quantity'.....Quantity of the part used in the printer or option

Only the parts highlighted in BOLD should be ordered. All other parts are for reference only and are not stocked.
