The MOWAG DURO is a highly mobile all-terrain military tactical vehicle. The name DURO stands for Durable and Robust. Even in the most difficult terrain, the DURO drives safely and reliably in every situation.

With its uniquely designed modular construction, the DURO can be modified in many configurations to accommodate a range of applications in a single vehicle. Through the use of a variety of super-structures, the basic chassis-cab is suitable for a variety of missions. These include troop transporter, command and control, logistics or ambulance vehicle.
