

PURCHASE ORDER DOCUMENTATION CODES

The following codes may appear at the bottom of your L-3 Communications, Narda Microwave-West (L-3 Narda West) Request For Quotation (RFQ) and/or Purchase Order (PO). The meaning of each code is explained below. Contact us at 916.351.4500 if you need any additional information.

DOCUMENTATION REQUIRED, MACHINE SHOP

A copy of the report showing all dimensions for one (1) piece (as a minimum) must accompany the product to L-3 Narda West. The report shall address all drawing notes and any modifications made by the Purchase Order notes. A completed Certificate of Conformance from the supplier and any second operation supplier (outside operation such as plating, painting, disk grinding, etc.) shall also accompany the product to L-3 Narda West.

This report (for each part/lot shipment) shall be maintained on file at the supplier's facility for at least seven (7) years from the date of shipment to L-3 Narda West. The report shall be made available to L-3 Narda West at any time during the seven years upon request by L-3 Narda West.

CERTIFICATION REQUIRED, MACHINE SHOP

A completed Certificate of Conformance from the supplier and any second operation supplier (outside operation such as plating, painting, disk grinding, etc.) shall accompany the product to L-3 Narda West.
