Battery Installation

- 1 Turn power on.
After use, set the switch (marked line) to "POWER OFF" position.

- 3 Adjust the volume.

- 2 Tune in your favorite stations.

For optimum reception, turn the set in the direction which gives the best results.

For connecting an earphone (not included)

Avoid listening for prolonged periods of time to prevent hearing damage.

Precautions

Batteries installed with incorrect polarities may leak and damage this unit.

Do not mix batteries (old and new) or types (carbon and alkaline). If the set is not used for a long time, remove all the batteries to prevent potential damage due to possible battery leakage.

Avoid using or placing the unit near sources of heat. Do not leave it in an automobile exposed to direct sunlight for a long period of time with the doors and windows closed, as this may deform the cabinet.

Maintenance

To clean this unit, use a soft cloth moistened with a soap and water solution. Wring the cloth well before wiping the unit.

Avoid spray-type insecticides. Some insecticides contain chemicals that could cause cabinet deformation.
