

REPLACEMENT PARTS LIST

Notes:

Model KX-T123230E

- Printed circuit board assembly with mark (NLA) is no longer available after production discontinuation of the complete set..
- Important safety notice.
Components identified by the Δ mark special characteristics important for safety.
When replacing any of these components, use only manufacturer's specified parts.
- The S mark indicates service standard parts and may differ from production parts.
- RESISTORS & CAPACITORS**
Unless otherwise specified.
All resistors are in ohms (Ω) k=1000 Ω , M=1000k Ω
All capacitors are in MICRO FARADS (μ F) P= μ F
