

Technical Information

Surface Resistance Meter SRM 110

- Pocket size, lightweight, auto ranging surface resistance meter
- Internal parallel electrode according to **DIN EN 100 015/1**.
IEC electrodes can be externally connected for tests according to **IEC 61340-4-1**
- Measures automatically with 10V and 100V
- Battery operated

Technical data:

Test voltage:

<u>Test voltage</u>	<u>Range</u>	<u>Standard</u>
10 V	$< 10^3 - 10^5 \Omega$	IEC 61340-4-1
100 V	$10^6 - > 10^{12} \Omega$	IEC 61340-4-1

Range:

- $10^3 - 10^{12} \Omega$
- Accuracy $\pm 10 \%$
