PVC Adhesive Tape

- Static dissipative PVC tape with ESD symbol
- Guarantees residual-free removal
- Complies with EN 61340-5-1 and ANSI/ESD S20.20-1999
- For manual and automatic tape dispensers
- Low charging
- Dissipative surface

Mechanical properties:

Material:	PVC
Thickness:	0,054 mm
Glue:	Rubber glue, removable
Core diameter:	76,2 mm
Operating temperature:	5°C - 50°C

Electrical properties:

	Typical values	Standard
Surface resistance R_s	$< 10^{11} \Omega$	DIN EN 61340-5-1
Decay time	< 2 sec.	DIN EN 61340-5-1
