Announcement: 1977 Author and Subject Index

The indexes of the five AlAA archive journals (AIAA Journal, Journal of Aircraft, Journal of Energy, Journal of Hydronautics, Journal of Spacecraft and Rockets) will be combined and mailed separately early in 1978. In addition, papers appearing in volumes of the Progress in Astronautics and Aeronautics book series published in 1977 will be included. Librarians will receive one copy of the index for each subscription which they have. Any AlAA member who subscribes to one or more Journals will receive one index. Additional copies may be purchased by anyone, at \$10 per copy, from the Circulation Department, AlAA, Room 730, 1290 Avenue of the Americas, New York, New York 10019.
