

Erratum

Expectations of Closed-Brayton-Cycle Heat Exchangers in Space Power Systems

Michael J. Barrett

NASA John H. Glenn Research Center at Lewis Field, Cleveland, Ohio 44135

and

Paul K. Johnson

Analex Corporation, Cleveland, Ohio 44135

[*J. Propulsion*, 24(3), pp. 609–613, (2008)]

DOI: 10.2514/1.38900

The title of this paper, published in the May–June issue of the *Journal of Propulsion and Power*, was inadvertently misprinted. The correct title is “Carbon–Carbon Recuperators in Closed-Brayton-Cycle Space Power Systems.” AIAA regrets the error.
