## FROM THE PUBLISHER:

AIChE is pleased to announce that starting with the January 1985 issue the *AIChE JOURNAL* became a monthly publication. The number of editorial pages in the *AIChE Journal* will increase to over 2,000 annually, and readers will now have access to twice as many papers.

This step, in keeping with AIChE's commitment to the scientific and academic communities, will insure that the *AIChE Journal* remains the premier vehicle for presentation and study of innovative developments and current theoretical research in chemical engineering.

As we approach the end of this century and move toward AIChE's second hundred years, we will continue to strive to meet the standards of excellence set by our contributors and readers.
