Errata

In the paper entitled "Analytic Solution for Adsorber Breakthrough Curves with Didisperse Sorbents (Zeolites)" by P. L. Cen and R. T. Yang (**32**, Oct., 1986, p. 1635), ψ should be replaced by ψ^{-1} in Eqs. 17a, b; β should be replaced by δ in Eqs. 18–20 and 26; M_2 should be multiplied by 10 in Figures 1–5.
