

The AIChE JOURNAL, a monthly publication of the American Institute of Chemical Engineers, is devoted to fundamental research and developments having immediate or potential value in chemical engineering.

## New Technical Education Series

### Chemical Engineering Problems in Biotechnology—Volume 1

*Michael L. Shuler, Editor*

Volume One in the series, this book provides instructors of traditional chemical engineering courses with a resource publication on biotechnology. It exposes students to some possible applications of chemical engineering principles as they relate to biotechnology.

#### CONTENTS

Bioprocess Engineering. Application of Material and Energy Balances to Biological Systems. Mass and Energy Balances on Microbial Processes. Transport Analysis of Receptor-Ligand Interactions. Oxygen Transport in Animal Cell Bioreactors. The Thermodynamics of Protein Stability. Thermodynamics of Protein Partitioning in Aqueous Two-Phase Systems. Bioseparations of Traditional Fermentation Products. Kinetics of Enzyme Catalysed Reactions. Conversion of Nutrients into Biomass and Other Products in Bioreactors. Introduction to the Control of Biological Reactors. Controller-Design for Biochemical Reactors. Study Module for Biotechnology on Bioprocess Design. An Introduction to Biochemical Process Design.

*AIChE Journal* (ISSN 0001-1541) is published monthly by the American Institute of Chemical Engineers, 345 E. 47th St., New York, NY 10017. Manuscripts should be submitted to Editor Morton M. Denn, at the Dept. of Chemical Engineering, University of California, Berkeley, CA 94720. Phone (415) 643-6591. The statements and opinions in the *AIChE Journal* are those of the contributors, and AIChE assumes no responsibility for them. Annual subscription rates: \$295 for nonmembers, \$48 for members, and \$25 for student members; outside U.S., add \$15 for postage. Single copies: \$30; outside U.S., add \$2 for postage. Second-class postage paid at New York, NY and additional mailing offices. Copyright 1988 by the American Institute of Chemical Engineers. Subscribers are requested to give prompt notification of any change of address. Postmaster: Send changes of address to *AIChE Journal*, 345 East 47th St., New York, NY 10017.
