

Erratum

For “Divergence as a Goal Function for Control and On-Line Optimization” by Zaldivar et al. (DOI: 10.1002/aic.10339, pp. 678–681, February 2005), the authors request the following erratum:

On page 679, Eq. 4 concerning the dimensionless reaction rate should be:

$$R_1 = \exp\left(\frac{\theta - 1}{\gamma \cdot \theta}\right) \cdot (1 - z)^n$$

The following Acknowledgments section should be added:

Acknowledgments

The authors would like to acknowledge Dr. John Wasson who pointed out the impossibility to reproduce the results using the erroneously written original Eq. 4.

Published online December 29, 2005 in Wiley InterScience (www.interscience.wiley.com).

For “A Quasi-Sequential Approach to Large-Scale Dynamic Optimization Problems” by li et al. (DOI: 10.1002/aic.10625, pp. 255–268, January 2006), the authors request the following erratum:

The Acknowledgments section should be replaced by:

Acknowledgments

Financial support from the Sandwich scholarship program to Chinese researchers by the Technical University of Berlin, and project (No. 60421002) supported by national nature science foundation of China, is gratefully acknowledged.
