Announcement

International conference on 'Recent Developments in Durability Analysis of Composite Systems' (DURACOSYS 99)

Brussels, July 11–14, 1999

This conference, sponsored by the Free University of Brussels (VUB), the Foundation for Scientific Research of the Flemish Region (FWO-Vlaanderen), Virginia Polytechnic Institute and State University, the Office of Naval Research, the European Research Office of the US Army, the Science University Tokyo, and the University of Bourgogne (ISAT-Nevers) will take place in Brussels, immediately after the ICCM-12 (Paris, July 5–9, 1999).

The programme includes 8 General Invited Lectures, 4 special invited lectures, 39 oral presentations and some 30 poster presentations.

Participation is on invitation and limited to 100–120 participants in order to have a large opportunity for contacts and discussions.

All practical information can be obtained from the conference secretariat:
