This article may be used for research, teaching, and private study purposes. Any substantial or systematic reproduction, redistribution, reselling, loan, sub-licensing, systematic supply, or distribution in any form to anyone is expressly forbidden.

The publisher does not give any warranty express or implied or make any representation that the contents will be complete or accurate or up to date. The accuracy of any instructions, formulae, and drug doses should be independently verified with primary sources. The publisher shall not be liable for any loss, actions, claims, proceedings, demand, or costs or damages whatsoever or howsoever caused arising directly or indirectly in connection with or arising out of the use of this material.

Note from the Publisher

The publisher notifies the reader that the article ‘Research on design, production and mechanical properties of white engineered cementitious composites’ by Jia Huan Yu and En Hua Yang, published in *Advanced Composite Materials*, Vol. 20, No. 1, pp. 91–104 (2011) has been withdrawn due to copyright reasons at the request of Dr. En Hua Yang. The article has been removed from the online edition.
