

CORRECTION**The Importance of Bridging Points for Charge Transport in Webs of Conjugated Polymer Nanofibers**

*Jean-Christophe Bolsée, Wibren D. Oosterbaan, Laurence Lutsen, Dirk Vanderzande, and Jean Manca**

Adv. Funct. Mater., **2013**, 23, 862.

The authors regret that their paper did not cite, and partially reproduced data from, a previously published article (J.-C. Bolsée, W. D. Oosterbaan, L. Lutsen, D. Vanderzande, J. Manca, *Org. Electron.* **2011**, **12**, 2084).

The corresponding authors sincerely apologize to the readers, reviewers, and editors for this oversight.
