Wiley-VCH congratulate

Joe P. Richmond
on the occasion of his 60th birthday

The Chairman and Members of the Editorial Board:

“We would like to thank Joe Richmond for his enthusiasm, hard work, creativity and vision in making *Advanced Synthesis & Catalysis* a top flight journal in a short period of time. Joe has managed to work through many complex issues with apparent ease, and he has made our time as chairman and members of the Editorial Board enjoyable and issue-free. We wish Joe continued success in building *Advanced Synthesis & Catalysis* and in all his efforts to benefit so many of us in the community of chemists.”
