

CORRIGENDA

In the paper by Jeanne L. Bolliger and Christian M. Frech in Issue 6, 2009, pp. 891–902 (DOI: 10.1002/adsc.200900112), the graphic abstract in the table of contents of the issue on page 809 incorrectly shows two methyl groups bound to palladium in the pincer complex, which should be removed. The correct graphic abstract is as follows:

NR_2 = piperidinyl; $\text{Y} = \text{NH}$ or O
 $\text{X} = \text{I}$ or Br
