SUBJECT INDEX

Advances in Nursing Science Volume 9

A

- Activity theory*
Psychological theories of aging: A critical evaluation. (Burbank) 1986;9(1):73-86.

Adolescence

- Components of courage in chronically ill adolescents: A phenomenological study. (Haase) 1987;9(2):64-80.

Advocacy

- Health advocacy for young, low-income, inner-city women. (McElmurry, Irvin, Swider, Dan, Grimes and Lourenco) 1987;9(4):62-75.

Aging

- Intergenerational caregiving: Adult caregivers and their aging parents. (Bowers) 1987;9(2):20-31.
- Psychological theories of aging: A critical evaluation. (Burbank) 1986;9(1):73-86.
- see* Elderly

B

Bereavement

- Toward a theory of helpfulness for the elderly bereaved: An invitation to a new life. (Rigdon, Clayton, and Dimond) 1987;9(2):32-43.

Breast self-examination

- Predictors of breast self-examination practice among elderly women. (Lashley) 1987;9(4):25-34.
- The relevance of theoretical perspectives to breast self-examination. (Lauver) 1987;9(4):16-24.

C

Caregiving

- Intergenerational caregiving: Adult caregivers and their aging parents. (Bowers) 1987;9(2):20-31.

Chronicity

- Components of courage in chronically ill adolescents: A phenomenological study. (Haase) 1987;9(2):64-80.

Classification systems

- Patient classification and resource allocation in Veterans Administration nursing homes. (Hogan and Smith) 1987;9(3):56-71.

Community health

- Nursing, health, and policy within a community context. (Counts and Boyle) 1987;9(3):12-23.

Continuity theory

- Psychological theories of aging: A critical evaluation. (Burbank) 1986;9(1):73-86.

Courage

- Components of courage in chronically ill adolescents: A phenomenological study. (Haase) 1987;9(2):64-80.

Crisis

- An analysis of the liability insurance crisis. (Stimpson and Wright) 1987;9(3):72-79.

D

Diagnostic related groups (DRGs)

- Patient classification and resource allocation in Veterans Administration nursing homes. (Hogan and Smith) 1987;9(3):56-71.

Disengagement theory

- Psychological theories of aging: A critical evaluation. (Burbank) 1986;9(1):73-86.

E

Economics

- Deinstitutionalization of the mentally ill: Oversimplification of complex issues. (McCausland) 1987;9(3):24-33.
- Health care policy, values, and nursing. (Mac Pherson) 1987;9(3):1-11.

Education, graduate nursing

- Nursing, health, and policy within a community context. (Counts and Boyle) 1987;9(3):12-23.

Education, nursing

- The McGill model of nursing: A practice-derived model. (Gottlieb and Rowat) 1987;9(4):51-61.

Elderly*see* Aging

The interaction model of client health behavior: Application to the study of community-based elders. (Cox) 1986;9(1):40-57.

Motivation in health behavior: Measurement, antecedents, and correlates. (Cox, Miller, and Mull) 1987;9(4):1-15.

Perceived situational control and perceived duration of time: Expressions of life patterns. (Mentzer and Schorr) 1986;9(1):12-20.

Predictors of breast self-examination practice among elderly women. (Lashley) 1987;9(4):25-34.

Toward a theory of helpfulness for the elderly bereaved: An invitation to a new life. (Rigdon, Clayton, and Dimond) 1987;9(2):32-43.

Environment

Human-environment process: A test of Rogers' principle of integrality. (Smith) 1986;9(1):21-28.

Ethics

The ethical dimensions of policy for prenatal diagnostic technologies: The case of maternal serum α -fetoprotein screening. (Fry) 1987;9(3):44-55.

Nursing ethics in an age of controversy. (Bishop and Scudder) 1987;9(3):34-43.

Evaluation of theory

Psychological theories of aging: A critical evaluation. (Burbank) 1986;9(1):73-86.

Evolutionary idealism

Evolutionary idealism: A philosophical foundation for holistic nursing theory. (Sarter) 1987;9(2):1-9.

F**Family**

Intergenerational caregiving: Adult caregivers and their aging parents. (Bowers) 1987;9(2):20-31.

Field phenomena

Theoretical and measurement issues in the study of field phenomena. (Clarke) 1986;9(1):29-39.

G**Grounded theory**

Identity of self as infertile: An example of theory-generating research. (Olshansky) 1987;9(2):54-63.

Intergenerational caregiving: Adult caregivers and their aging parents. (Bowers) 1987;9(2):20-31.

H**Health**

The McGill model of nursing: A practice-derived model. (Gottlieb and Rowat) 1987;9(4):51-61.

Health behavior

The interaction model of client health behavior: Application to the study of community-based elders. (Cox) 1986;9(1):40-57.

Motivation in health behavior: Measurement, antecedents, and correlates. (Cox, Miller, and Mull) 1987;9(4):1-15.

Health Belief Model

The health belief model as an explanation for breastfeeding practices in a Hispanic population. (Sweeney and Gulino) 1987;9(4):35-50.

Predictors of breast self-examination practice among elderly women. (Lashley) 1987;9(4):25-34.

The relevance of theoretical perspectives to breast self-examination. (Lauver) 1987;9(4):16-24.

Health Care Policy (9:3)

An analysis of the liability insurance crisis. (Stimpson and Wright) 1987;9(3):72-79.

Deinstitutionalization of the mentally ill: Oversimplification of complex issues. (McCausland) 1987;9(3):24-33.

The ethical dimensions of policy for prenatal diagnostic technologies: The case of maternal serum α -fetoprotein screening. (Fry) 1987;9(3):44-55.

Health care policy, values, and nursing. (Mac Pherson) 1987;9(3):1-11.

Nursing ethics in an age of controversy. (Bishop and Scudder) 1987;9(3):34-43.

Nursing, health, and policy within a community context. (Counts and Boyle) 1987;9(3):12-23.

Patient classification and resource allocation in Veterans Administration nursing homes. (Hogan and Smith) 1987;9(3):56-71.

Helpfulness

Toward a theory of helpfulness for the elderly bereaved: An invitation to a new life. (Rigdon, Clayton, and Dimond) 1987;9(2):32-43.

Hispanic culture

The health belief model as an explanation for breastfeeding practices in a Hispanic population. (Sweeney and Gulino) 1987;9(4):35-50.

Holism

Evolutionary idealism: A philosophical foundation for holistic nursing theory. (Sarter) 1987;9(2):1-19.

I**Infant feeding**

The health belief model as an explanation for breastfeeding practices in a Hispanic population. (Sweeney and Gulino) 1987;9(4):35-50.

Infertility

Identity of self as infertile: An example of theory-generating research. (Olshansky) 1987;9(2):54-63.

Institutionalization

Deinstitutionalization of the mentally ill: Oversimplification of complex issues. (McCausland) 1987;9(3):24-33.

Instrument development

Motivation in health behavior: Measurement, antecedents, and correlates. (Cox, Miller, and Mull) 1987;9(4):1-15.

Insurance

An analysis of the liability insurance crisis. (Stimpson and Wright) 1987;9(3):72-79.

Integrality

Human-environment process: A test of Rogers' principle of integrality. (Smith) 1986;9(1):21-28.

Interaction

The interaction model of client health behavior: Application to the study of community-based elders. (Cox) 1986;9(1):40-57.

L*Liability*

An analysis of the liability insurance crisis. (Stimpson and Wright) 1987;9(3):72-79.

Long-term care

Patient classification and resource allocation in Veterans Administration nursing homes. (Hogan and Smith) 1987;9(3):56-71.

M*Maslow*

An empirical test of Maslow's theory of need hierarchy using hologicistic comparison by statistical sampling. (Davis-Sharts) 1986;9(1):58-72.

Maternal/child health

The health belief model as an explanation for breastfeeding practices in a Hispanic population. (Sweeney and Gulino) 1987;9(4):35-50.

Mental health policy

Deinstitutionalization of the mentally ill: Oversimplification of complex issues. (McCausland) 1987;9(3):24-33.

Moral behavior

A case study of theory development: Moral behavior in nursing. (Ketefian) 1987;9(2):10-19.
Nursing ethics in an age of controversy. (Bishop and Scudder) 1987;9(3):34-43.

Motivation and Health (9:4)

The health belief model as an explanation for breastfeeding practices in a Hispanic population. (Sweeney and Gulino) 1987;9(4):35-50.

Health advocacy for young, low-income, inner-city women. (McElmurry, Irvin, Swider, Dan, Grimes and Lounco) 1987;9(4):62-75.

Motivation in health behavior: Measurement, antecedents, and correlates. (Cox, Miller, and Mull) 1987;9(4):1-15.

The McGill model of nursing: A practice-derived model. (Gottlieb and Rowat) 1987;9(4):51-61.

Predictors of breast self-examination practice among elderly women. (Lashley) 1987;9(4):25-34.

The relevance of theoretical perspectives to breast self-examination. (Lauver) 1987;9(4):16-24.

N*Needs*

An empirical test of Maslow's theory of need hierarchy using hologicistic comparison by statistical sampling. (Davis-Sharts) 1986;9(1):58-72.

Newman, Margaret

Perceived situational control and perceived duration of time: Expressions of life patterns. (Mentzer and Schorr) 1986;9(1):12-20.

Research testing nursing theory: State of the art. (Silva) 1986;9(1):1-11.

O*Orem's Self-Care theory*

Research testing nursing theory: State of the art. (Silva) 1986;9(1):1-11.

P*Pattern*

Perceived situational control and perceived duration of time: Expressions of life patterns. (Mentzer and Schorr) 1986;9(1):12-20.

Perception

Perceived situational control and perceived duration of time: Expressions of life patterns. (Mentzer and Schorr) 1986;9(1):12-20.

Theoretical and measurement issues in the study of field phenomena. (Clarke) 1986;9(1):29-39.

Phenomenological method

Components of courage in chronically ill adolescents: A phenomenological study. (Haase) 1987;9(2):64-80.

Philosophy

Evolutionary idealism: A philosophical foundation for holistic nursing theory. (Sarter) 1987;9(2):1-9.

Policy

Health advocacy for young, low-income, inner-city women. (McElmurry, Irvin, Swider, Dan, Grimes and Lourenco) 1987;9(4):62-75.

see Health Care Policy (9:3)

Politics

Health care policy, values, and nursing. (Mac Pherson) 1987;9(3):1-11.

Poverty

Health advocacy for young, low-income, inner-city women. (McElmurry, Irvin, Swider, Dan, Grimes and Lourenco) 1987;9(4):62-75.

Practice and theory

The McGill model of nursing: A practice-derived model. (Gottlieb and Rowat) 1987;9(4):51-60.

Prenatal screening

The ethical dimensions of policy for prenatal diagnostic technologies: The case of maternal serum α -fetoprotein screening. (Fry) 1987;9(3):44-55.

R**Relapse**

Relapse among ex-smokers: An example of theory derivation. (Wewers and Lenz) 1987;9(2):44-53.

Research methods

A case study of theory development: Moral behavior in nursing. (Ketefian) 1987;9(2):10-19.

An empirical test of Maslow's theory of need hierarchy using hologicistic comparison by statistical sampling. (Davis-Sharts) 1986;9(1):58-72.

Research testing nursing theory: State of the art. (Silva) 1986;9(1):1-11.

Resource Utilization Groups (RUGs)

Patient classification and resource allocation in Veterans Administration nursing homes. (Hogan and Smith) 1987;9(3):56-71.

Rogers, Martha

Human-environment process: A test of Rogers' principle of integrality. (Smith) 1986;9(1):21-28.

Research testing nursing theory: State of the art. (Silva) 1986;9(1):1-11.

Roy's Adaptation Theory

Research testing nursing theory: State of the art. (Silva) 1986;9(1):1-11.

S**Self-actualization**

Theoretical and measurement issues in the study of field phenomena. (Clarke) 1986;9(1):29-39.

Self-care

Health advocacy for young, low-income, inner-city women. (McElmurry, Irvin, Swider, Dan, Grimes and Lourenco) 1987;9(4):62-75.

see Orem's self-care theory

Self-determinism

Motivation in health behavior: Measurement, antecedents, and correlates. (Cox, Miller, and Mull) 1987;9(4):1-15.

Self-efficacy theory

The relevance of theoretical perspectives to breast self-examination. (Lauver) 1987;9(4):16-24.

Self-identity

Identity of self as infertile: An example of theory-generating research. (Olshansky) 1987;9(2):54-63.

Self-regulatory theory

The relevance of theoretical perspectives to breast self-examination. (Lauver) 1987;9(4):16-24.

Smoking

Relapse among ex-smokers: An example of theory derivation. (Wewers and Lenz) 1987;9(2):44-53.

T**Technology**

The ethical dimensions of policy for prenatal diagnostic technologies: The case of maternal serum α -fetoprotein screening. (Fry) 1987;9(3):44-55.

Theory derivation

Relapse among ex-smokers: An example of theory derivation. (Wewers and Lenz) 1987;9(2):44-53.

Theory Generating Research (9:2)

A case study of theory development: Moral behavior in nursing. (Ketefian) 1987;9(2):10-19.

Components of courage in chronically ill adolescents: A phenomenological study. (Haase) 1987;9(2):64-80.

Evolutionary idealism: A philosophical foundation for holistic nursing theory. (Sarter) 1987;9(2):1-9.

Identity of self as infertile: An example of theory-generating research. (Olshansky) 1987;9(2):54-63.

Intergenerational caregiving: Adult caregivers and their aging parents. (Bowers) 1987;9(2):20-31.

Relapse among ex-smokers: An example of theory derivation. (Wewers and Lenz) 1987;9(2):44-53.

Toward a theory of helpfulness for the elderly bereaved: An invitation to a new life. (Rigdon, Clayton, and Dimond) 1987;9(2):32-43.

Theory Testing Research (9:1)

An empirical test of Maslow's theory of need hierarchy using hologicistic comparison by statistical sampling. (Davis-Sharts) 1986;9(1):58-72.

- Human-environment process: A test of Rogers' principle of integrality. (Smith) 1986;9(1):21-28.
- The interaction model of client health behavior: Application to the study of community-based elders. (Cox) 1986;9(1):40-57.
- Perceived situational control and perceived duration of time: Expressions of life patterns. (Mentzer and Schorr) 1986;9(1):12-20.
- Psychological theories of aging: A critical evaluation. (Burbank) 1986;9(1):73-86.
- Research testing nursing theory: State of the art. (Silva) 1986;9(1):1-11.
- Theoretical and measurement issues in the study of field phenomena. (Clarke) 1986;9(1):29-39.

V

Values

- Health care policy, values, and nursing. (Mac Pherson) 1987;9(3):1-11.

W

Women's health

- Health advocacy for young, low-income, inner-city women. (McElmurry, Irvin, Swider, Dan, Grimes and Lournenco) 1987;9(4):62-75.
- Predictors of breast self-examination practice among elderly women. (Lashley) 1987;9(4):25-34.
- The relevance of theoretical perspectives to breast self-examination. (Lauver) 1987;9(4):16-24.

ANS CUMULATIVE INDEX, VOLUMES 1-8

Compiled by Peggy L. Chinn, RN, PhD, FAAN
Editor, ANS

A cumulative index, including an author index and a subject index, is available in limited quantity to paid ANS subscribers. Copies will be sent upon request on a first come, first served basis. To order, send the coupon below to ANS Cumulative Index, Aspen Publishers Inc., 1600 Research Boulevard, Rockville, MD 20850, Mail Stop 4M.
