## CALL FOR ABSTRACTS

A multidisciplinary planning committee at the University of Kentucky is seeking abstracts for a feminist conference on menopause. While the conference will address the medical and physiological aspects of menopause, it also will deal with the personal and social meaning of menopause and its impact on women's lives. The committee seeks diverse presentations from the humanities, arts, health professions, and sciences. Presentations may be theoretical, clinical, or performance. However, the presentations must be accessible to nonspecialists. The conference will be held at the University of Kentucky, Lexington, Kentucky. The specific dates will be determined by the outcome of the funding requests, but the earliest possible dates are May 19-20, 1989. For more information, contact Gretchen E. LaGodna, RN, PhD, University of Kentucky, College of Nursing, Lexington, KY 40536-0232, (606) 257-5263.

## DIRECTORY
