CALL FOR POSTERS/ABSTRACTS

The Forum on Health Care Leadership is presenting a national conference, “Back to Basics: The Elements of Success,” which will be held *August 17–20, 2002*, at the Fontainebleau Hilton Resort Towers in Miami Beach, Florida. The Forum will address the current challenges facing the health care industry, including:

- The Top 10 Issues Facing Today’s Hospitals
- Creating a Hope-Filled, Sustainable Future

- Developing Talented Managers
- How Laws and Regulations Impact Your Staffing

Put your poster or abstract in front of more than 1,300 nurses, nurse executives, nurse managers, recruiters, staff developers, resource managers, and others, as well as more than 60 other exhibitors. Share your knowledge with key people in the industry. To be part of this conference, visit <http://www.healthcareforum.org> or call 800-998-5023.
