THE BENEFITS OF DIRECT DEBIT

- By taking out your subscription on direct debit you can save £3, taking the price down to just £27 for your 14 issue subscription.
 - You will still be able to claim all your subscription benefits.
 - A further plus is that you won't have the bother of resubscribing when your subscription runs out. You'll be able to continue to receive *Amiga Shopper* as long as you wish.
 - And remember, you can still cancel your subscription – and your direct debit mandate – at any time. We will refund without question all payment for unmailed copies.
 - To subscribe by direct debit simply complete the other side of this card in full and return this entire card in an envelope to the address above – no stamp required.
- Please note:** The wording overleaf is in the standard form requested by the banks. What will happen is this: as soon as the paperwork has gone through, we will request your branch to pay the reduced rate of £27 from your account to cover your subscription.
- When your subscription is due for renewal, we will give you at least 14 days notice and advise you of the amount to be paid from your account so you can continue to receive *Amiga Shopper* without interruption.
