Erratum to: Amino Acids (2006) 30:369–389
DOI 10.1007/s00726-005-0283-9

In the published original version of this article, the information in the following sentence is not given correct:
p. 371, left column, second paragraph, 4th line.

The correct sentence should read:

Beta A1 and A3 crystallin are encoded by the same gene, translation of the mRNA is initiated from distinct start codons, the beta A3 start codon being upstream to A1.
