

Visible-Light-Mediated 1,2-Acyl
Migration: The Reaction of Secondary
Enamino Ketones with Singlet Oxygen

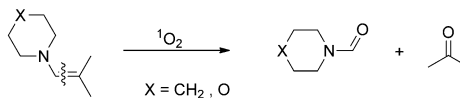

W. Fan, P. Li* _____ 12397–12400

Angew. Chem. 2014, 126

DOI: 10.1002/ange.201407413

In dieser Zuschrift muss der Satz, der in Zeile 8 des ersten Textabsatzes auf S. 12397 beginnt, durch die folgenden zwei Sätze ersetzt werden: „The reactions of singlet oxygen with enamines were firstly disclosed by Foote and Lin^[8a] and Huber^[8b] in 1968 (Scheme 1 a). And the similar double bond cleavage reaction of enamminones by singlet oxygen was reported by Wasserman and Ives^[9] in 1976 (Scheme 1 b).“ Schema 1 a und Lit. [8] sind entsprechend zu ändern.

a) Foote and Huber's work

Scheme 1. Selected examples involving oxidation of enamines or enamminones.

[8] a) C. S. Foote, J. W.-P. Lin, *Tetrahedron Lett.* **1968**, 9, 3267; b) J. E. Huber, *Tetrahedron Lett.* **1968**, 9, 3271.
