

Angewandte Berichtigung

Die Autoren dieser Zuschrift möchten ihre Danksagung um die beiden folgenden Sätze erweitern:

„We would like to thank Professor Ferenc Erdődi and Bálint Bécsi (University of Debrecen, Department of Medical Chemistry, Faculty of Medicine, Hungary) for the possibility of ITC measurements. The research work has been accomplished in the framework of the ‘BME R + D + I project’, supported by the grant TÁMOP 4.2.1/B-09/1/KMR-2010-0002.“

Composite Aromatic Boxes for Enzymatic Transformations of Quaternary Ammonium Substrates
