

In the Communication of **F. E. Romesberg** and **P. G. Schultz** et al. in Issue 20, **2002**, p. 3841–3844, the authors should be given in the following order: Chengzhi Yu, Allison A. Henry, Peter G. Schultz,* and Floyd E. Romesberg*.

In the Communication by **K. Kim** et al. in Issue 23, **2002**, pp. 4474–4476, the permanent address for Professor Parimal K. Bharadwaj was unfortunately removed during editing. The editorial office apologizes for this error. His permanent address is:

Department of Chemistry
Indian Institute of Technology
Kanpure 208016 (India).

APOLOGY

In the Communication “Synthesis of Amphiphilic Conjugated Diblock Oligomers as Molecular Diodes” by **L. Yu** and **M.-K. Ng** (*Angew. Chem.* **2002**, *114*, 3750–3753; *Angew. Chem. Int. Ed.* **2002**, *41*, 3598–3601) the authors missed a cross-reference to their thematically related but independent communication “Molecular Diodes Based on Conjugated Diblock Co-oligomers” (M.-K. Ng, D.-C. Lee, L. Yu, *J. Am. Chem. Soc.* **2002**, *124*(40), 11862–11863) and vice versa. The authors apologize for this oversight.
