

Corrigenda

Since publication of their Communication, the authors have noticed that the definition of $\{\text{Mo}_{51}\text{V}_9\}$ given in the footnote at the bottom of the first page is incorrect. The correct definition is $\{\text{Mo}_{51}\text{V}_9\} = (\text{NH}_4)_{21}[\text{Mo}_{51}\text{V}_9(\text{NO})_{12}\text{O}_{165}(\text{OH})_3(\text{H}_2\text{O})_3(\text{NHMe}_2)_3] \cdot x\text{H}_2\text{O}$ ($x \approx 60$).
