

Corrigendum

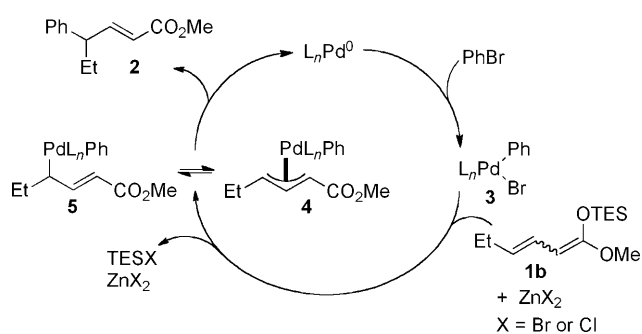

Palladium-Catalyzed γ -Arylation of α,β -Unsaturated Esters from Silyl Ketene Acetals

D. S. Huang, J. F. Hartwig* 5757–5761

Angew. Chem. Int. Ed. 2010, 49

DOI 10.1002/anie.201002328

In Scheme 1 of this Communication (DOI: 10.1002/anie.201002328), one reagent was mistakenly omitted. The correct scheme is provided below.

Scheme 1. Potential mechanism for the coupling of **1b** with PhBr. TES = triethylsilyl.
