

Angewandte Corrigendum

The authors of this Communication wish to correct the author information in reference [10c]. The authors also wish to add a new citation as reference [10e] with regard to the polymer synthesis. The correct reference [10] should be as follows:

- [10] See, for example: D. M. Lynn, R. Langer, *J. Am. Chem. Soc.* **2000**, *122*, 10761–10768; b) Y.-L. Lin, G. Jiang, L. K. Birrell, M. E. H. El-Sayed, *Biomaterials* **2010**, *31*, 7150–7166; c) L. V. Christensen, C.-W. Chang, W. J. Kim, S. W. Kim, Z. Zhong, C. Lin, J. F. J. Engbersen, J. Feijen, *Bioconjugate Chem.* **2006**, *17*, 1233–1240; d) R. S. Burke, S. H. Pun, *Bioconjugate Chem.* **2010**, *21*, 140–150; e) C. Lin, C.-J. Blaauboer, M. M. Timoneda, M. C. Lok, M. van Steenberg, W. E. Hennink, Z. Zhong, J. Feijen, J. F. J. Engbersen, *J. Controlled Release* **2008**, *126*, 166–174.

A Bioreducible Polymer for Efficient
Delivery of Fas-Silencing siRNA into Stem
Cell Spheroids and Enhanced
Therapeutic Angiogenesis

M. S. Shim, S. H. Bhang, K. Yoon,
K. Choi, Y. Xia* _____ **11899–11903**

Angew. Chem. Int. Ed. **2012**, *51*
