In this Communication, the sentence starting in line 8 of the first text paragraph on page 12201 must be replaced by the following two sentences: "The reactions of singlet oxygen with enamines were firstly disclosed by Foote and Lin^[8a] and Huber^[8b] in 1968 (Scheme 1 a). And the similar double bond cleavage reaction of enamminones by singlet oxygen was reported by Wasserman and Ives^[9] in 1976 (Scheme 1 b)." Scheme 1 a and Ref. [8] need to be changed accordingly.

a) Foote and Huber's work

Scheme 1. Selected examples involving oxidation of enamines or enamminones.
