

Correction

In the Original Research Communication, “Effects of Noradrenaline on Neuronal NOS2 Expression and Viability,” by Jose L. M. Madrigal *et al.* in Volume 8, Numbers 5 & 6, 2006, pp. 885–892, the second author’s name was abbreviated incorrectly in the Table of Contents. The abbreviation used for Cinzia Dello Russo was C. D. Russo, and instead should have been C. Dello Russo. We apologize for this error.
