

## Correction

In the July 1, 2011, issue of *Antioxidants & Redox Signaling*, in the article "Knockdown of Akt1 Promotes Akt2 Upregulation and Resistance to Oxidative-Stress-Induced Apoptosis Through Control of Multiple Signaling Pathways," 2011;15:1–17, the following authors were incorrectly listed as being affiliated with the Nebraska Medical Center:

Lan Zhang  
Shuming Sun  
Jiao Liu  
Lili Gong  
Qin Yan  
Mi Deng  
Ling Xiao  
Haili Ma  
Jin-Ping Liu  
David Wan-Cheng Li

All of these authors should have been listed as being affiliated with the University of Nebraska Medical Center. In addition, the correspondence address should read as follows:

*Dr. David Wan-Cheng Li*  
*Department of Biochemistry & Molecular Biology*  
*College of Medicine*  
*985870 University of Nebraska Medical Center*  
*Omaha, NE 68198-5870*

*E-mail:* dwli1689@yahoo.com

The authors regret these errors.
