

Introduction To Sponsors

The International Society For Antiviral Research (ISAR)

The society was organized in 1987 as a non-profit scientific organization for the purpose of advancing and disseminating knowledge in all areas of antiviral research. To achieve this objective, the society will organize an annual meeting. The society is now in its sixth year of existence, and we have about 1,000 members representing 30 countries. For membership application forms or further information, please contact Earl R. Kern, Ph.D., Secretary, ISAR; The University of Alabama at Birmingham; Dept. of Pediatrics; 401 Volker Hall; 1670 University Blvd.; Birmingham, AL 35294-0019.
