

Introduction To Sponsor

The International Society For Antiviral Research (ISAR)

The Society was organized in 1987 as a non-profit scientific organization for the purpose of advancing and disseminating knowledge in all areas of antiviral research. To achieve this objective, the Society organizes an annual meeting. The society is now in its Thirteenth year of existence, and has about 800 members representing 30 countries. For membership application forms or further information, please contact Dr. Koen Andries, Secretary, ISAR; Janssen Research Foundation, Department of Virology, Turnhoutseweg 30, B-2340 Beerse, Belgium; Ph. 32 (14) 602-033; Fax 32 (14) 605-854; E-mail Kandries@janbe.jnj.com. Membership application forms will also be available at the Conference Registration desk, or from our website www.isar-icar.com.
