**GENE-TRAK Systems Announces Exclusive Relationship with Nissui Pharmaceutical in the Japanese Market for its Clinical Diagnostic Products.** *October 31, 1989, Framingham, MA.* GENE-TRAK Systems announced today the signing of an exclusive sales, marketing, and product development agreement with Nissui Pharmaceutical Company, Tokyo, Japan for GENE-TRAK's clinical diagnostic products in Japan. The agreement calls for Nissui to pay a combination of sales and marketing fees and to provide research and development funding. In exchange, Nissui will receive exclusive sales and marketing rights to GENE-TRAK's nucleic acid probe-based diagnostic products for the Japanese clinical market. Nissui will also cooperate with GENE-TRAK in ensuring that the products developed under the agreement are suitable for the Japanese market and comply with the requirements of the Japanese Ministry of Health and Welfare.

**Molecular Biology in Pharmacology** *February 7-9, 1990, Milan, Italy* The Course will consist of lectures on molecular biology methodologies, with particular emphasis on recent and future perspectives of their applications to pharmacology. For further information, contact Ida Ceserani, Institute of Pharmacological Sciences, Via Balzaretti 9, 20133 Milan, Italy. Telephone 02-29404672. FAX 02-29404961.

**Protein Purification and Biochemical Engineering** *March 19-25, 1990, Lake Tahoe, CA.* Sponsored by Smith Kline & French and Triton. For further information, contact UCLA Symposia, 2032 Armacost Ave., Los Angeles, CA 90025. Telephone 213-207-5042. FAX 213-207-2397.

**CHROMEXPO '90** *March 26, 1990 Sheraton Washington Hotel, Washington, DC.* For more information, contact: Janet Cunningham, Barr Enterprises, PO Box 279, Walkersville, MD 21793. 301-898-3772.

**Tuberous Sclerosis and Allied Disorders** *April 23-25, 1990, Hyatt Regency, Bethesda, MD.* For more information, contact: Conference Department, The New York Academy of Sciences, 2 East 63rd Street, New York, NY 10021. Tel: 212-838-0230, FAX 212-888-2894.

**Fourth Annual Seminar on Analytical Biotechnology** *June 11-14, 1990 Gateway Marriott Hotel, Crystal City (Arlington), VA.* For more information, contact: Janet Cunningham, Barr Enterprises, PO Box 279, Walkersville, MD 21793. 301-898-3772.

**Molecular and Cellular Mechanisms of Alcohol and Anesthetics** *June 25-28, 1990 University of Calgary, Calgary, Alberta, Canada.* For more information, contact: Conference Department, The New York Academy of Sciences, 2 East 63rd St., New York, NY 10021. Telephone 212-838-0230. FAX 212-888-2894.

**Kenlab Industries has announced an affiliation with Unmanned Solutions, Inc. of Fremont, CA.** Don Spence, Kenlab's president and chief operating officer, indicates that the joining of capabilities enables them to offer more comprehensive engineering, manufacturing, product development, and special machine building services to their customers in the biomedical, pharmaceutical, food processing, computer, electronics, and scientific instrument industries. For more information, contact: Ron Aarts (415) 357-8800, or James Fishman (415) 656-4300.
