

## Erratum

---

T. Gunji, H. Yamamoto, T. Hanaoka, K. Bandoh-Kitamura and Y. Abe,  
'Preparation of polyzirconoxane from zirconium oxychloride octahydrate and  
ethylene glycol as a precursor for zirconia ceramics'. *Applied Organometallic  
Chemistry* 2000; **14**(2): 119–126.

In the Table of Contents for the February 2000 issue  
of *Applied Organometallic Chemistry*, Volume 14,  
Number 2, the authors of the paper appearing on  
page 119, 'Preparation of polyzirconoxane from

zirconium oxychloride octahydrate and ethylene  
glycol as a precursor for zirconia ceramics', should  
have been listed as T. Gunji, H. Yamamoto, T.  
Hanaoka, K. Bandoh-Kitamura and Y. Abe.
