

Announcement

Creation of LABCATAL prize to promote scientific research in the field of trace elements

LABCATAL, the leading French laboratory as far as trace elements are concerned, has decided to found a LABCATAL prize.

The First prize will amount to 35,000 French Francs and three second prizes to 5,000 French Francs. Each will be for scientific work on trace elements in the field of pharmacology or human therapeutics.

These prizes will be awarded to the winners on the occasion of the scientific congress organized by the French Society for Essential Trace Element Study (SFERETE) that will be held in the town Les Deux-Alpes (France) from 14–18 January, 1991.

For further information on the LABCATAL prize, please contact the scientific directorate of:

LABORATOIRES LABCATAL
7, rue Roger Salengro,
B.P. 305
92541 MONTROUGE CEDEX
FRANCE

For information concerning the congress organized by the SFERETE, please contact:
