

ERRATUM

A. E. TAKEMORI and G. A. GLOWACKI, Studies on glucuronide synthesis in rats chronically treated with morphine and phenol, **11**, (1962).

Page 868, Table 1, line 6, P value for morphine glucuronide should be <0.05 and the P value for phenyl glucuronide should be <0.01 .

Page 870, line 7, the N-methylating system should read the N-demethylating system.
