

ANNOUNCEMENTS

**SYMPOSIUM ON MOLECULAR MECHANISM
OF DRUG ACTION**

The Central Drug Research Institute, Lucknow, jointly with the Society of Biological Chemists (India) and the Indian Pharmacological Society, is holding a Symposium on "Molecular Mechanism of Drug Action" on December 10 and 11, 1970 at the Chatter Manzil Palace, Lucknow, India. The symposium will deal with pharmacokinetics of drug action, interaction of drugs and macromolecules, bioreceptors of drugs, membrane transport of drugs, drugs acting on genetic expression, drug detoxication mechanism and biotransformation of drugs and their intermediates. Further information can be obtained from Dr. C. R. KRISHNA MURTI, Division of Biochemistry, Central Drug Research Institute, Chatter Manzil Palace, Lucknow, India.

**CONFERENCE ON PHYSIOLOGY AND PHARMACOLOGY
OF CYCLIC AMP**

The International Society for Biochemical Pharmacology is co-sponsoring an international conference to be held in Milan, Italy, from 20 through 23 July, 1971. The Honorary Chairman of this conference is Prof. J. C. Sutherland of Vanderbilt University, Tennessee, U.S.A., and the Scientific Secretaries are Prof. RODOLFO PAOLETTI, Institute of Pharmacology, University of Milan, Via Vanvitelli 32, 20129 Milan, Italy, and Prof. G. A. ROBISON, Dept. of Pharmacology, Vanderbilt University, Nashville, Tenn. 37217, U.S.A.
