

## **ANNOUNCEMENT**

### **Symposium on Drug Metabolism**

**6–8 April 1976—University of Surrey, England**

An international Symposium on Drug Metabolism in honour of Professor R. T. Williams, FRS, is to be held at the University of Surrey, England on 6–8 April 1976. The programme includes symposia on 'Advances in mechanisms of drug metabolism' and 'Species differences in drug metabolism—from microbe to man.' Sessions will be held for free papers.

Accommodation will be provided on the University campus at Guildford, Surrey, England. Further details including the programme and registration forms may be obtained from Dr. L. J. King, Department of Biochemistry, University of Surrey, Guildford, Surrey GU2 5XH.
