M. VOGT—ARC Institute of Animal Physiology, Babraham, Cambridge
P. G. WASER—University of Zurich, Switzerland
M. WELSCH (Vice-Chairman)—Université de Liège, Belgium
V. P. WHITTAKER—Abteilung für Neurochemie, Max-Planck-Institut für Biophysikalische Chemie, Göttingen
R. T. WILLIAMS—St. Mary's Hospital Medical School, London

Publishing and Advertising Offices: Headington Hill Hall, Oxford OX3 0BW (Oxford 64881) and Maxwell House, Fairview Park, Elmsford, New York 10523. Published twice monthly. Annual subscription rates 1979: For libraries, university departments, government laboratories, industrial and all other multiple-reader institutions, US \$265 (including postage and insurance). *Specially reduced rates to individuals:* In the interests of maximizing the dissemination of the research results published in this important international journal, we have established a two-tier price structure. Any individual whose institution takes out a library subscription, may purchase a second or additional subscriptions for personal use at the much reduced rate of US \$40.00 per annum. All subscription enquiries should be addressed to the Subscriptions Fulfillment Manager, Pergamon Press Ltd., Headington Hill Hall, Oxford OX3 0BW, England.

Microform Subscriptions and Back Issues: Back issues of all previously published volumes are available in the regular editions and on microfilm and microfiche. Current subscriptions are available on microfiche simultaneously with the paper edition and on microfilm on completion of the annual index at the end of the subscription year.

No part of this publication may be reproduced, stored in a retrieval system or transmitted in any form or by any means: electronic electrostatic, magnetic tape, mechanical, photocopying, recording or otherwise, without permission in writing from the publishers.
