

ERRATA

Biochemical Pharmacology 27, No. 8, pp. 1113–1116.

HERBERT SHEPPARD and CHARLES R. BURGHARDT, The dopamine-sensitive adenylate cyclase of the rat caudate nucleus—3. The effect of aporphines and protoberberines.

The Publisher regrets that Dr. Burghardt's name was incorrectly spelt in the above article, and on the Contents List;
and that in 27, No. 24, p. 2927:

WALTRAUD GÖGGELMAN, G. BONSE, D. HENSCHLER and H. GREIM, Mutagenicity of chlorinated cyclopentadienes due to metabolic activation, Dr. Göggelman and Dr. Greim's names were incorrectly spelt on the title page.
