GORDON RESEARCH CONFERENCES

Frontiers of Science

The *1981 Gordon Research Conferences* will be held at various locations in New Hampshire and California from 9 June to 22 August 1981. The complete program for the 1981 Gordon Research Conferences is published in *SCIENCE*, 13 March 1981.

Application for registration and reservations should be sent to Dr. Alexander M. Cruickshank, Director, Gordon Research Conferences, Pastore Chemical Laboratory, University of Rhode Island, Kingston, R.I. 02881, or telephone the office of the Director, 401-783-4011 or 401-783-3372. It is important that interested individuals submit their application promptly in order that it may be given early consideration by the review committee. This is particularly necessary for those conferences which are customarily over-subscribed and for which it is often necessary to establish a waiting list.
