

ANNOUNCEMENT

4th INTERNATIONAL CONFERENCE
CYTOCHROME P-450
BIOCHEMISTRY, BIOPHYSICS AND ENVIRONMENTAL IMPLICATIONS
1-3 June 1982, Kuopio, Finland

The 4th international biannual conference on the structural and functional aspects of cytochrome P-450 will be held on 1-3 June 1982 in the University of Kuopio, Finland. The aim of the meeting is to overview the accumulated knowledge on the various forms of cytochrome P-450 and its contribution to the metabolism of environmental chemicals in various species from microbes to animals and plants.
