

ANNOUNCEMENT

THIRD INTERNATIONAL SYMPOSIUM ON THE BIOLOGICAL OXIDATION OF NITROGEN IN ORGANIC MOLECULES

Chelsea College, University of London, 12–17 August 1984

Contributions are invited on the following topics:

Occurrence of *N*-oxygenated products—either naturally occurring or as metabolites of xenobiotics.

Analysis and characterization of *N*-oxygenated products derived from biological systems.

Mechanism(s) and enzyme system(s) involved in the *N*-oxidation process.

Pharmacological and toxicological consequences of the biological oxidation of nitrogen in organic molecules.

All enquiries to:

Dr J. W. Gorrod
Chelsea College
University of London
Manresa Road
London SW3 6LX, U.K.
